OUR MISSION STATEMENT

Princefield Trust School is an English medium school which provides a child-centered outcomes based curriculum as well as CAPS Curriculum in which all learners will strive to achieve to their maximum potential. We also ensure that all learners are supported in their acquisition of knowledge in all learning areas. We will ensure that all learners access the curriculum and that other opportunities will be made available for all learners to maintain a healthy body and mind. Moreover we will strive to achieve excellency in grooming future role models.

OUR MISSION

To make available a broad and holistic educational programme to all learners who qualify for education from Grade 1 – 12. No matter what gender, race or religion.

OUR VISION

To achieve the highest performance in academic, sport and cultural activities where possible. To play positive role in the broader academic field by uplifting the community at large with extended programmes. To develop positive relationships with other players in the educational field on secondary and tertiary level and thereby to keep abreast of the latest development in education.

OUR MOTTO – Knowledge is Power

Education is one of the most essential virtues in the life of an individual. Apart from being a necessity of the society, it is an important symbol of freedom and helps in leading a good life. It also plays a very critical role in the intergration of individual entities. Not only does it comprise that which we are taught in schools and colleges, but also encompasses the useful lessons we learn from incidents happening in our practical lives.

CURRICULUM

The national CAPS Syllabi are followed in all subjects and grades. The school is an English medium school, pupils are taught in English
